I certify that the Dura Horse called Lach, charged in this account as being the property of Peter Mallory, was not in fact his property, but belonged to Capt. R. W. Hubert, of my command, and had been loaned to Peter Mallory for temporary use. Peter Mallory has since killed, and it is presumed that, the horse being in his use at the time he had the account made out in his own name, so that he might collect the money for Capt. Hubert who was and is a prisoner of War in the hands of the enemy. The representations of Peter Mallory have no claim to the horse. Peter Mallory was my orderly, and all the facts above stated are personally known by me, and I am conversant with all the circumstances. This statement is made by me because Mrs M. A. Hubert has this day filed a claim in the 2^d Auditor's Office in the name of the real owner, Capt. R. W. Hubert, for the same horse.

Support the application of Mr. C.
McCall for appointment in the
Engineer Service.

Adm 5th Texas Regt

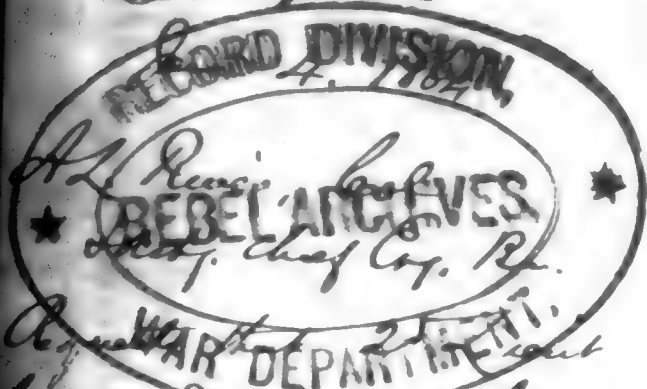

Sept 2nd 1863

The Chf of the Bureau of Engrs

Sir, Mr Chas

McCall, of Co F of this Regt has requested
me to write to you to know what has
been done with his application for an
appointment in your Department.
He said he was recommended by Judge
Nichols of Texas and several others &
that from what he could learn when his
application was made (in February last)
he thought that his chances were good &
he would like to see him succeed and when
I hear from you will try what can be
done for him. He is known in Texas as
an Engineer of rare attainments and
great experience and coupled with the
fact of the services he has rendered his
Country in the South of our Army I think
that any position offered to him should
be given if it can be done without

Sir

I have just learned through Judge Camden, that a map of a Town in Texas made by Charles McLeally who has applied to be made an Engineer in the Confederate Service, and which map was intended to be filed with his application, cannot be found. I regret it because it surpasses in workmanship and skill any thing of the kind I ever saw. In fact, on point of skill and ability Mr. McLeally has but few equals and would in my opinion be immensely serviceable and creditable to the government.

Col: Some time since
I gave a letter forwarding
the application of Mr. W. H.
McCallum to an appointment
in the Engineer's service,
which I have just learned
was not presented to you &
has, probably, been lost.
Mr. McCallum is a native
of Harrison County &
he was for a long time
engaged in engineering
service on the R.R. This
will make my impression
is he was employed at
in the location of the
Southern Railway Co. R.R.

After the said roads
were completed
he volunteered to Texas
Volunteers, at the
breaking out of the
war & he has been in
in the service since
that time doing
gallant service in
the field.

I have seen a specimen
of Mr. McCall's drafting
which gave evidence
of great skill. This
accomplishment
performed, in so high
a degree, cannot
but be valuable
to the Government.
In any appreciation
of the engineering
service, I feel sure
if employed, he will

acquire high
repute, & as a
valuable service
to the country.

In making appointments in the

Charles McAlly of Texas. He has
a large experience in Civil Engineering
and is entitled at once to rank as
a gentleman of capacity possessing
all the requisites necessary to render
himself useful to the government.
Several years since, when the Baltimore

former road appointed Mr McAlly
Resident Engineer of the most important

To the Hon Sec of War

Sir I respectfully make application for an appointment to such a position in the Corps of Engineers C.S.A. as upon examination I am found fitted for. During service on the Baltimore & Ohio and North western Virginia Rail Roads under Benj H Latrobe Chf Engr. the latter portion of the time as Resident Engineer of a very heavy division of the latter - and also for several years under Mr Calhoun Sur Genl as deputy Surveyor of the Public Lands in Kansas & Nebraska I have during all of this time made the Science of Engineering my study and flatter myself that wherever I have been employed I have given Satisfaction.

Should you favor me with an appointment I hope the Government will have no cause for Regret.

Sir.

I have known Charley McCall as long
from his infancy. He was raised when I resided
(Charleston Va) is highly respectably connected,
well educated, of good moral character and fitted
high for a Young man as an Engineer on the
North or a Rail Road. He volunteered at the Com-

and I am sure that he has faithfully served as such
up to the present time.

Dear Sir I Mr J Morbray from
the down Lake section has come to town to report
himself as per orders of enrolling officer
and I must trouble you to endeavour to
obtain an exemption or detail for him or the
road will lose him

He is supplying the negroes with beef ^{from} Liberty
to Beaumont and is the only man (that
I know of) left who can do it

The other men who have been supplying
me along that end of the road have been
taken away and I am reduced down to
this man to supply near forty miles of
the road

If he is taken I can no longer get beef
and the hands on those sections must
quit work

Please use every effort to detain him
for me

I would further state, that the Comdg

Beaumont to Orange (23 miles) at once, and we
have no other person to depend on to supply
them with meat, which will amount, with the
present number of hands, in all to 12 Bees per week
& must increase with the increase of hands.

I Certify on honor, that his Services are in-
dispensable, and that the quota of "one man per

not be Exceeded by his detail.

I would therefore respy ask, that he be
detailed to this Company, and ordered to report
to Col Griffin with said detail, and I pledge

In the absence of Mr Morris, Supt^r, from the City on Government business, I enclose you a communication from W. Madison & Company of this Road, in regard to Mr J. C. Manbray.

I would respectfully state, that J. C. Manbray on a Surgeon's Certificate, was furloughed from Company E, 5th Texas Infy Regt in Virginia, and ordered to report at Houston to Major General Magruder, which he did August 26th 1863, and was ordered the same day by Order No (per City enclosed) to report to "Col W. H. Griffin at Sabine Pass" as soon as he is fit for service. That in September, this Company were compelled to call on him, to purchase and oversee the killing of Beef for the negroes, ordered by the Comdg General on the repairs of the road, at which time said Negroes had been without meat for three days for want of some proper person to attend to it, Since which time he has faithfully performed his duties and being now the only competent person left to supply that portion of the road between Liberty & Beaumont (43 miles) this Company is compelled to ask that they be allowed to retain him.
